State Speech Tournament Medal Records — 1969-2004

Apple Valley in Class AA and Walker-Hackensack-Akeley in Class A lead their respective classes in number of medals earned at State Speech Tournaments from 1969 to 2004. The year 1969 marked the first year in which a preliminary round and final round resulted in awarding medals to the top three place win-

ners in each division. The first two-class competition was held in 1976. In 1979 the number of medals awarded in each of the 11 categories of competition increased from three to six. In 1989 the number of categories increased to 12. In 1990 medals were awarded to each of the finalists through eighth place. In 1993, the Dramatic Duo

category was added making the number of categories 13. In 2002 the format changed to qualify three entries from each section in each category, and having three preliminary rounds at the State Tournament before the finals. Since 1969 students from 377 member schools have won medals at the State Speech Tournament

Spotlighting the fine arts

Perfecting that transition. Mixing the most amazing color. Hitting the note. Rehearsing it one more time. Making that summary statement sing. Getting that homework finished. Hating your alarm clock.

Students who participate in the fine arts work hard. Their commitment is unwavering. Their creativity is amazing. And their accomplishments are outstanding.

Wells Fargo honors the more than 100,000 student artists, musicians, actors and speech participants in Minnesota. We congratulate those who receive Spotlight Awards of Excellence for outstanding performances in the fine arts. The Spotlight Awards of Excellence are given for starred performances at the One Act Play Festival, to all semi-finalists in the Lincoln-Douglas and Policy Debate Tournament, to the champions in the Speech Tournament and the Best of Site recipients at section Music and Visual Arts Contests.

Your dedication is admirable and your spirit is inspirational.

Wells Fargo is proud to be the premier corporate partner of the Minnesota State High School League.

With medals awarded to as many as eight top finishers, 46 schools were represented by students awarded medals for their performances.

Natalie Sintek of Eagan expresses herself in Class AA Humorous Interpretation. She is only one of three Class AA competitors to ever win three gold medals.

The field of competitors included 43 who won medals in 2003, 29 of which competed in the same category. There were 94 Class A teams represented at the tournament. There were 225 Class A teams that competed in speech statewide this year.

Mounds Park Academy, with four winners, now can claim 15 state champions between 1969 and 2004, good for seventh place on the list of Most State Champions-All Classes. St. Anthony Village now has nine state champions, moving the school up to a tie for 16th place on that list. With its nine medals this year, Walker-Hackensack-Akeley still tops the list of top medal-winning Class A schools with 153.

2004 Review (Continued from page 33)
Mankato Loyola had two medalists this year and the school ranks a distant second with 83.

Class AA

Apple Valley won 16 medals, including four first-place golds, at the 2004 Minnesota State High School League Class AA State Speech Tournament. Eight individuals succeeded in earning their third medal, including one who earned a rare third gold medal.

Benilde-St. Margaret's of St. Louis Park was second in total medal count with 11. Eagan collected 10 medals, including three first-place golds, and Eastview of Apple Valley earned nine medals, two of which were gold. Gold medals were awarded to competitors from seven different schools.

The Class AA field featured 34 returning 2003 medalists. Five champions returned and two won again. Two sought to defend their titles and three chose different categories this year. Junior Gena Haugen of Apple Valley returned in Extemporaneous Reading and successfully

defended her title. Senior Tim Hogan, also of Apple Valley, returned in Extemporaneous Speaking but finished third. Senior Natalie Sintek of Eagan, a two-time winner who claimed last year's championship in Creative Expression, competed this year in Humorous Interpretation and finished first for her third gold medal. Senior Hugh Kennedy of Moorhead, who won top honors in Serious Interpretation of Prose in 2003, finished third in Serious Interpretation of Drama this year. Laura Joachim of Forest Lake, who won Serious Interpretation of Poetry last year, did not place in Dramatic Duo this year with partner Ana Bahr.

Sintek becomes only the third Class AA competitor and fourth overall to win three gold medals. Sintek won Storytelling as a sophomore and won Creative Expression as a junior. The other Class AA three-time champions were also from Eagan. Eric Fenstermaker won titles in 1997, 1998 and 2000. Tom Finley won titles in 2001, 2002 and 2003. Cort Sylvester of Barnesville is the only Class A competitor to win three titles, in 1983, 1984 and 1985.

The other 2004 state champions were: senior Whitney Bartle of Apple Valley in Informative Speaking; senior Neal Beckman of Eastview in Storytelling; junior Elizabeth Bendix of St. Cloud Tech in Serious Interpretation of Drama; junior Amy Gates of Eastview in Serious Interpretation of Prose; senior Kim Osterberg of Apple Valley in Great Speeches; senior Rishi Puram of Edina in Extemporaneous Speaking; sophomore Abhrajee Roy of Eagan in Creative Expression; senior Earnest Simpkins of St. Paul Arlington in Serious Interpretation of Poetry; junior Matthew Simpson of St. Cloud Apollo in Original Oratory; senior Colin Smith of Apple Valley in Discussion; and junior Travis Boettcher and sophomore Andrew Samuel of Eagan in Dramatic Duo.

Eight students earned their third medals: senior Paige Bechtle of Eagan; junior Elizabeth Bendix of St. Cloud Tech; senior Serena Brook of Eagan; senior Krista Costin of Moorhead; junior Rick Lonneman of Worthington; senior Rishi Puram of Edina; senior Natalie Sintek of Eagan; and junior Travis Boettcher and sophomore Andrew Samuel of Eagan in Dramatic Duo.

Excellence in athletics and the fine arts. It's what schools need to win the Minnesota State High School League **Challenge Cup**. Awarded annually to two high schools, the **Challenge Cup** is a statewide, year-long competition among schools that participate in section and state fine arts and athletics tournaments. Schools earn points for their success in these tournaments and at the end of the year one Class A school and one Class AA school will receive the **2005 Challenge Cup**. The League will post a **Challenge Cup Leader Board** on its Web site so schools can monitor their point totals. To learn more about the **Challenge Cup**, log on to mshsl.org.
